Introduction

Dr. Shashank Kharabanda—a distinguished speaker, author, and a force to recon in the field of healthcare, beauty and aesthetics. He holds Doctorate in Business Administration (Hon. Causa), medical and administrative background, and multiple international fellowships—is the visionary force behind AngelLife International Institute. With over 20 plus years of impactful experience in healthcare and education, he has been at the helm of AngelLife since its inception, steering it toward becoming a globally recognized brand.

Under his leadership, AngelLife offers a comprehensive spectrum of services including advanced skin and hair care, anti-aging therapies, laser treatments, and personalized weight management strategies. Dr. Shashank is known for his forward-thinking leadership and commitment to innovation, always aligning his decisions with global industry standards, ethical integrity, and a deeply student-centric philosophy.

Driven by a passion for continuous learning and excellence, Dr. Shashank is on a mission to transform the training landscape in aesthetics, dermatology, and cosmetology. Through AngelLife International Institute, he aims to empower aspiring professionals worldwide, believing that every student deserves the opportunity to dream big and achieve success for the field for aesthetics is for both dreamers and doctors. The institute stands as a testament to his vision—offering direction, knowledge, and inspiration to shape the future of beauty and wellness.
